

NOVEMBER RECAP

This month, Geek+ was named the Global Leader in Goods-to-Person Mobile Robots for the fourth year in a row!

Congratulations to our hardworking global team.

Geek+ Named the Global Leader in Goods-to-person Mobile Robots for the Fourth Year in a Row!

This year's market report from Interact Analysis confirms Geek+ as the market-share leader among leading mobile robot competitors in various categories. The international market research company publishes its annual report on the mobile robot market, which includes a detailed industry analysis and future forecasts.

Geek+ Wins Supply Chain Excellence Award

Geek+ is proud to announce that it has won the Digital Transformation Award at the 2022 Supply Chain Excellence Awards. This is the fourth Supply Chain Excellence Award for Geek+. The award is in recognition of our automation project implemented by strategic partner Breathe Technologies Ltd for online UK retailer RANGEPLUS.

New Geek+ ASRS Full-Scale US Demonstration Site

Geek+ and KPI Integrated Solutions are proud to announce our first full-scale demonstration site in North America for our Geek+ Four Way Shuttle Solution. The site uses the solution and combines multiple picking and storage strategies for pallets, containers and individual units.

Geek+ Hosts Kuehne+Nagel

We're thrilled to have hosted the Regional and Country heads of Kuehne+Nagel, a Fortune 500 logistics company operating in 100+ countries, at their warehouse for a tour of our latest 4-way shuttle solution.

Handling 1 Million Active Customers with Ease: Yesasia

With 1 million active customers, e-Commerce retailer YesAsia.com is equipped to handle the Peak Season rush this year. The Geek+ AMR-powered fulfillment center operates 24/7 to handle e-Commerce orders from different time zones. Around-the-clock productivity speeds up delivery turnaround time to provide lightning fast service to its global customers.

Geek+ Handles Black Friday with Ease

Too many orders. Too much chaos. With Geek+ Goods-to-Person (GTP) solutions, your Black Friday order fulfillment will be a breeze. Pick, pack and ship faster than anyone else. [Watch the video here.](#)

DC VELOCITY Geek+

Robotics Roundtable: Easing the Crunch

Industry experts talk labor shortages, inventory snarls, inflation, and a tightening economy.

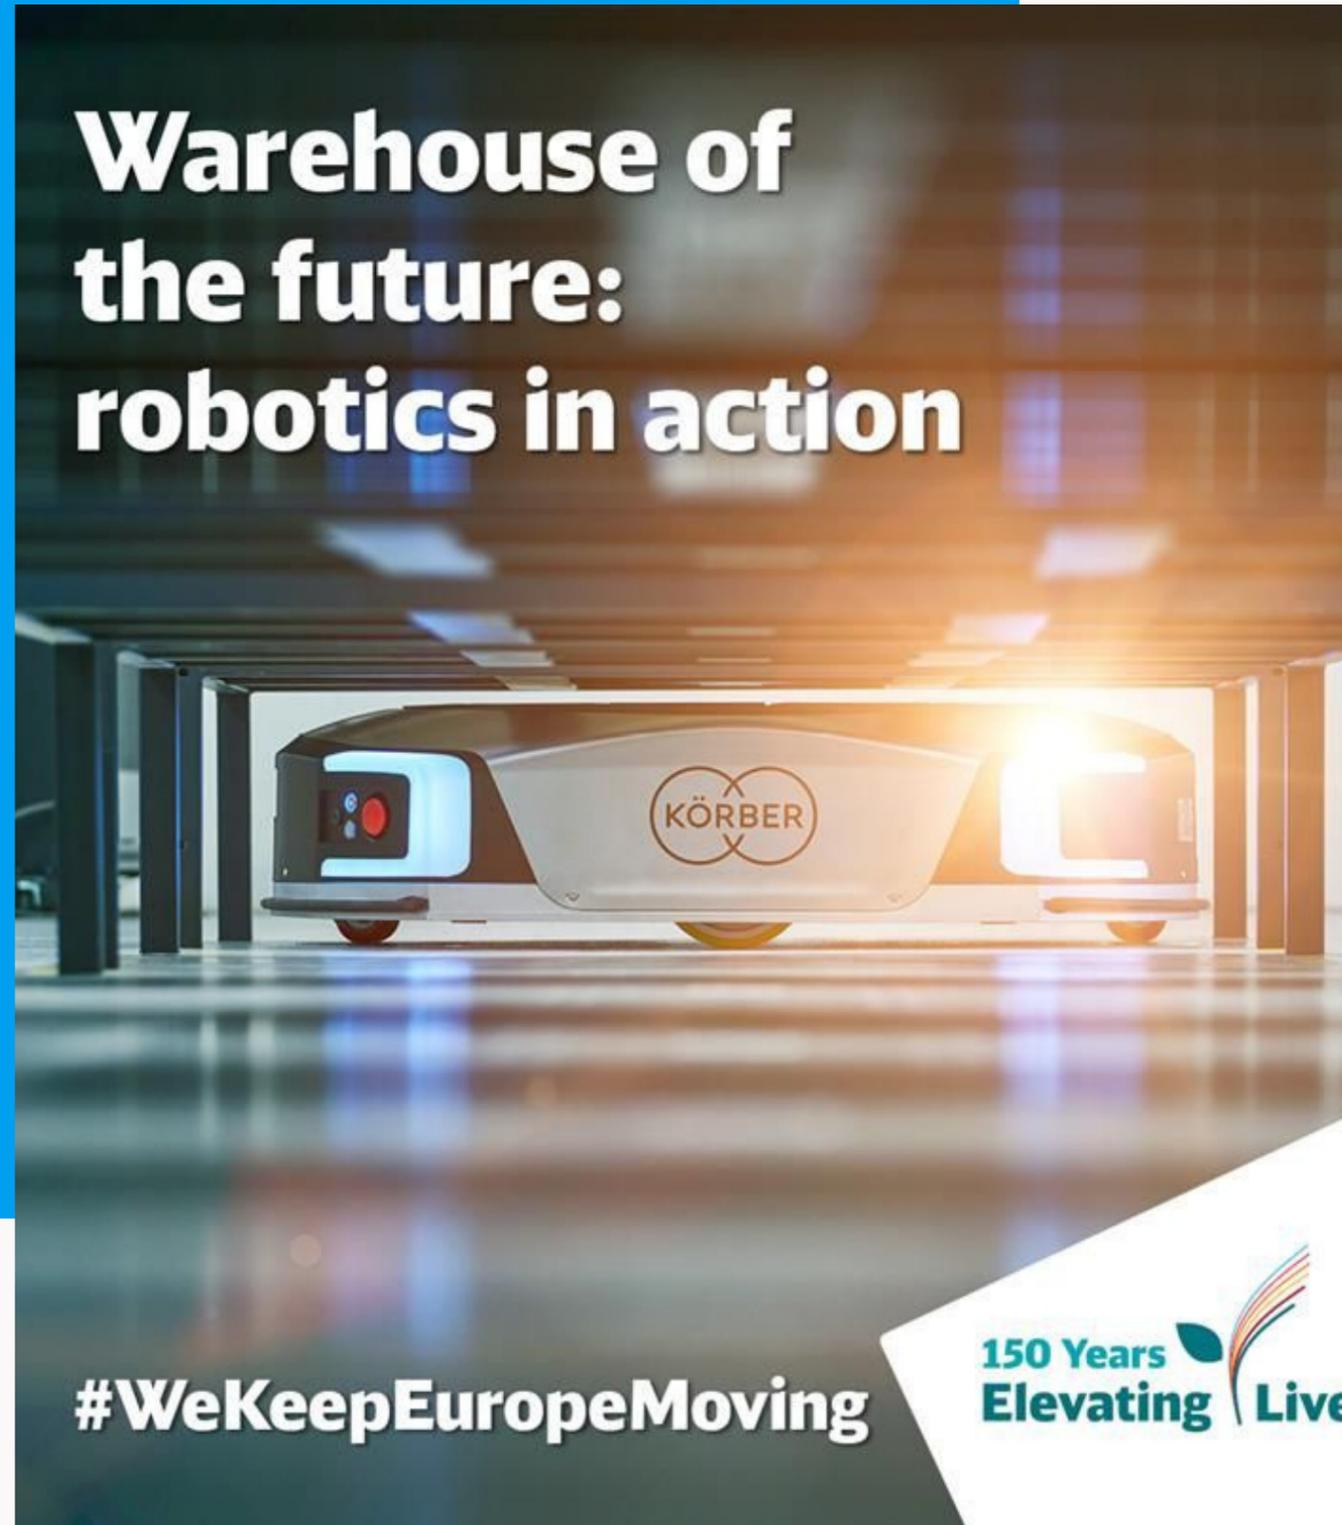

Geek+ Numina Fortna ForwardX Zebra Sick Exotec Plus One Knapp

DC Velocity Robotics Roundtable

DC Velocity asked a few experts in the industry from different companies in a roundtable and got some insightful responses. Jonathan Cortellacci, Head of Innovations for Geek+ Americas was featured.

NOVEMBER 2022 RECAP

Warehouse of the future: robotics in action

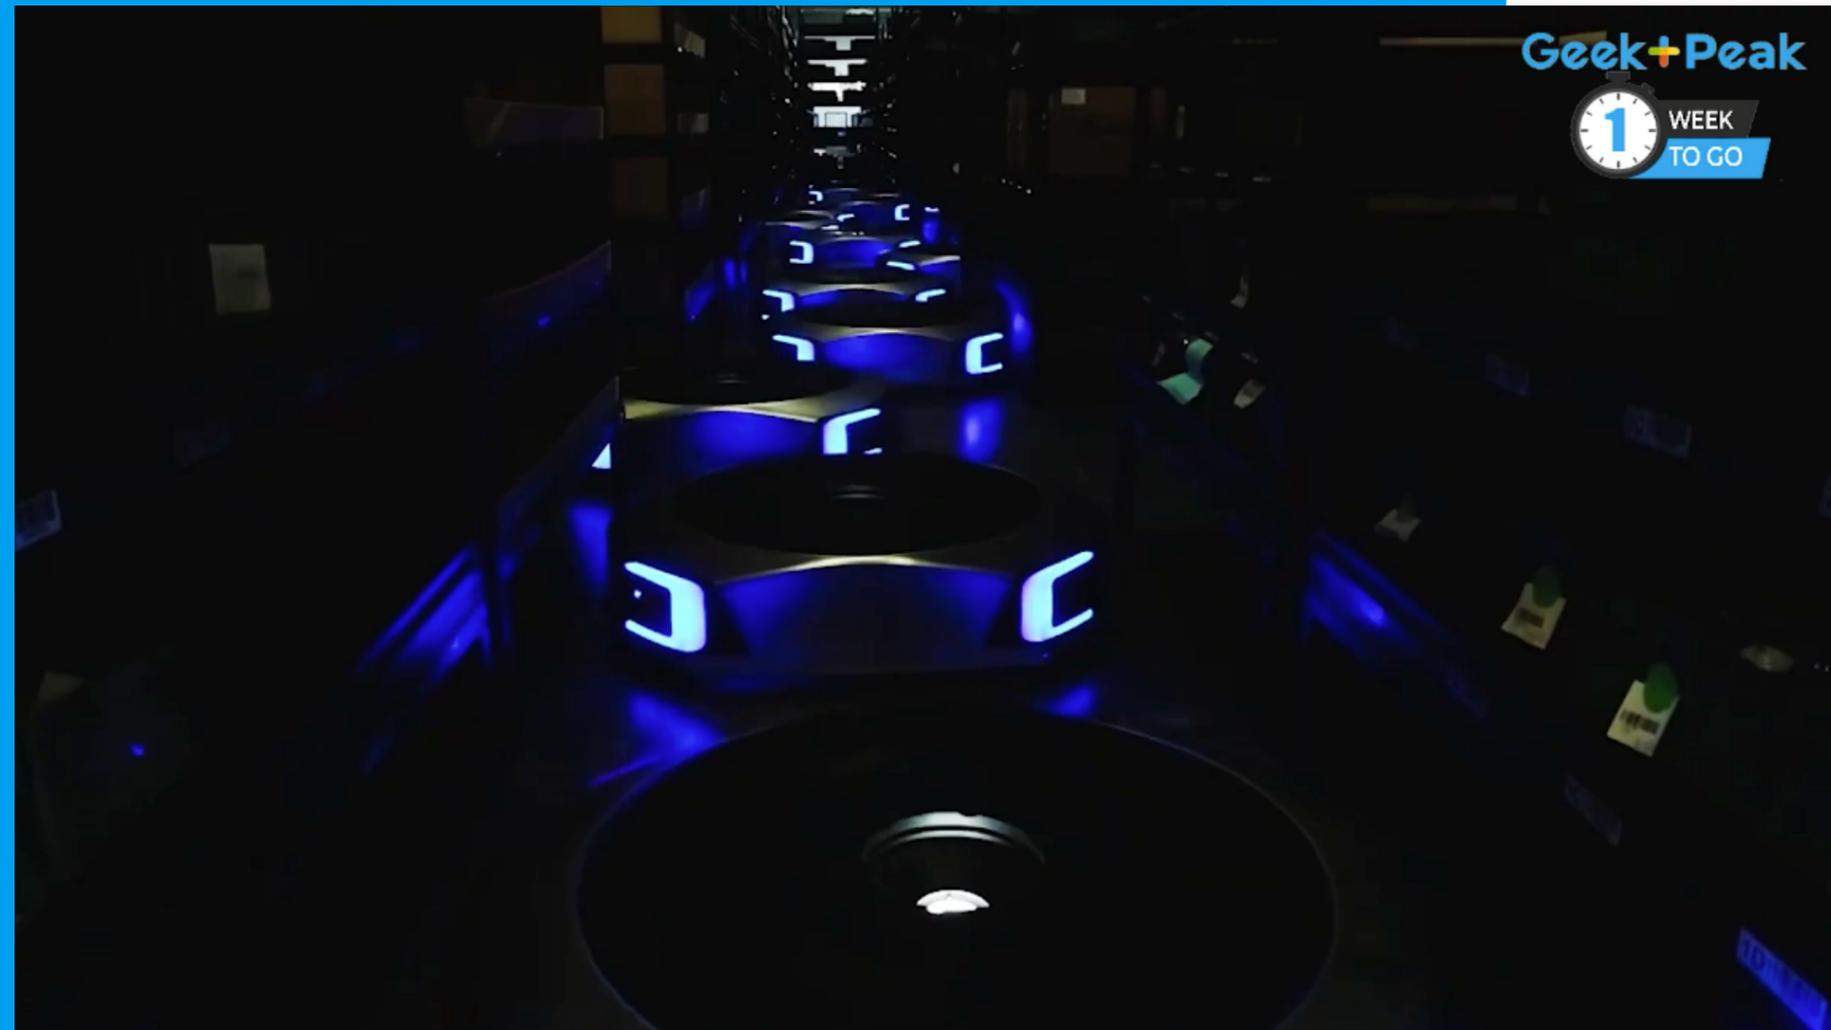

Geek+, DB Schenker and Körber New Distribution Center

DB Schenker has partnered with Geek+ and Körber Supply Chain to implement automated warehouse operations at its new distribution center near Prague, CZ.

Geek+ Sorting and Picking Solution Wins Award

Congratulations to Officeworks for winning the ASCL Automation, Robotics or Emerging Technology Award from the Supply Chain & Logistics Association of Australia (SCLAA) with the Geek+ picking and sorting project.

Turn the Lights Off, Not your Operations

Geek+ concluded our Peak Season campaign with a new video about our P-800 lights out capabilities. P-800 robots keep working 24/7, and help save 53% of energy costs per year in your warehouse (vs traditional). [Watch the video here.](#)
